

May 2022 FAMILY PLACE SOUTH AND NORTH NEWSLETTER

Dear Family Place Parents and Caregivers,

Welcome to **MAY** 2022!

We are excited to share with you that we are back to the regular **“DROP-IN” policy with NO pre-registration required**” for all Family Place activities at both North and South locations. Families can **drop-in** for the activities until the capacity is full. A FULL sign will be placed on the sandwich boards and/or on the outside of the doors of North and South when they have reached capacity for the day. **MAXIMUM capacity for South is 15 people including caregivers and children. MAXIMUM capacity for North is 20 people including caregivers and children.** To ensure more families have opportunities to participate in the activities, we will limit the weekly participation times for each family. Please see second page of newsletter or check the Family Place North and South calendars for more details. Thank you for your understanding.

Thank you to those families who have completed the client surveys- your feedback matters to us!
