

# Sexual Orientation and Gender Identity (SOGI) Forum

PRESENTED BY:

**Alden Habacon**

*Diversity and Inclusion Strategist*

The session will explore the complexity of having SOGI conversations across cultural differences.

Similar to the benefit of learning the language around mental health, developing a shared understanding of key SOGI words and concepts can reduce confusion and stigma, enhance feelings of inclusion, and contribute to eliminating non-inclusive language and behaviour.

**Friday, May 26, 2023**  
**10:00 AM- 12:00 PM**  
**Online Forum**
