### APPLICATION FOR MEMBERSHIP

Langley Community Services Society is a registered Society and charity. It is governed by an all-volunteer Board of Directors who are elected annually by the Members of the Society.

There are 3 categories of Membership: Life Members, Volunteer & Supporting Members. A Life Member is either a Member who has been involved in the foundation of the Society in 1971 (honorarium), or someone who has purchased a life membership. A Supporting Member is a person who pays an annual membership fee to the Society. A Volunteer Member has donated 10 or more hours of their time in a recognized function for Langley Community Services without fee, salary, wages or benefits from the Society.

Members are kept informed about the Society's activities; receive an invitation to the Annual General Meeting of the Society and are entitled to a copy of the Annual General Report and Audited Financial Statement upon request. Members also have the right to vote at the Annual General Meeting, or any Special Meeting of the Membership. New Members must be approved by the Board of Directors 60 days prior to any meeting to qualify to vote, according to the Society's Bylaws.

Membership of Supporters and Volunteers ensures that those who have a stake in Langley Community Services Society have a voice in the governance of the society. This is what it means to be a community-based organization.
